### About the Company

Clanrye Electrical Supplies based at 11 Upper Edward Street, Newry, Co. Down, BT35 6AX have been trading since March 1989 where we have built up a strong repour for high quality, well priced Electrical fixtures and fittings.

This position offers the right candidate an opportunity to develop a plentiful career in the very enjoyable Electrical Wholesale industry working alongside a friendly team of colleagues.

### Key Responsibilities:

- Liaise with contractors, consultants and specifiers to specify and quote lighting and electrical products based on the project requirements. Projects of both domestic/residential & commercial nature.
- Service the Electrical requirements of our customers (public and trade) at our Electrical Trade Counter
- Liaise with contractors on a regular basis to assess current Electrical requirements, quote for products where required and accept and process orders where received
- On occasion, assist with the verification and put away of deliveries inwards
- On occasion, assist with restocking and merchandising Point of Sale displays
- Any other duties, within reason and capability, as determined by Management

### Candidate desirables attributes:

- Any of the following (ranked in order of desirability):
  - Experience working at an Electrical Tradecounter
  - Electrical Work experience (any level)

- Experience working at any other construction related Tradecounter
- School Leavers looking to build a long-term career
- Self-Motivated and Hard working
- Friendly and Sociable / People Friendly
- Ability to cope in a fast-paced environment using own initiative
- Good level of health and fitness
